... Minix3 and OS 2.6. I wanted my Spanish screen to be nothing but white and I'd like that white to change to a black screen when I open the "apps" folder. I also wanted the navigation menu to be black only so I don't have to think about all the apps I need.

Also, I wanted only black colors and black font on the

---

lock screen to make it look like I locked my phone, with the same black screen color.
